Artwork Submission Specifications

Required Format
Files must be .eps, .pdf or .ai

Bleed
Full Bleed all 4 sides, unless otherwise specified. Please keep all text at least 0.125" inside the cut-line.

Fonts
All fonts must be outlined *

Logos & Line Art
Logos and line art must be vector art **

Files Colour Mode
You should always start and finish your designs in CMYK colour mode.

Images
Images must be Hi-Resolution. We only accept 300 dpi files and no less.

* If fonts are not outlined, we can supply a similar font at additional cost. (from $15 each font type)
** If vector art is not available, we can convert files at additional cost. (from $35)

PDF files with outlined fonts and vector art are easier to handle and will likely speed up your turn-around.
Remember to add crop marks and flatten your files before submitting the order.

Please feel free to contact us by email if you have any questions info@bgsplus.ca
